"I believe anyone can learn the stock market when it's put in plain English!"

Tela Holcomb started learning how to trade the stock market in 2009 while she was a single parent. After being fired from her job in 2012, she used the stock market to become debt free and retired from a 9 to 5 before turning 30.

Tela, a stock market expert and creator of Trade Your 9 to 5[®], has helped thousands of people all over the country learn how to understand the stock market so they can reach financial freedom and build a financial legacy.

She is a straight-talking success igniter who pushes audiences to propel past their most unimaginable dreams.

PINK SLIP TO WEALTH

A perfect blend of heart and head, this talk is centered around opportunity lost and opportunity found. Drawing from her own journey of being fired to trading her 9 to 5 in the stock market, Tela takes the audience on a journey of fear, resilience, and triumph on the way to finding the path she was truly meant to walk.

During this session, attendees will learn:

- That not all storms come to disrupt your life but to clear your path
- How your roots can provide insight to prosperity
- The most important factor that's keeping you from living the life you deserve

****This talk can be adjusted for finance and entrepreneur audiences.**

MONEY DOES GROW ON TREES

The stock market seems complicated and confusing to many people. During this interactive experience, Tela provides an educational foundation that pulls participants in and builds their confidence in her belief that anyone can learn the stock market when it's put in plain English.

During this program, participants will:

- Gain a basic understanding of trading and investing
- Learn how to use their personal experiences to identify stocks around them
- Learn the 3 keys to making money trading the stock market
- Discover how to build wealth using the Money Tree framework

****This workshop can be presented as a 1/2 day, or full day workshop.**

"Tela has an innate ability to pull the most reluctant listener in and build their confidence in trying her models. Tela's knowledge of the stock market as it pertains to gaining wealth is astounding. The audience was raving about her presentation. Our Conference was a success thanks to Tela's presentation and winning attitude."

Sonya Cheltenham, Denim to Diamonds Women's Summit

"I completed Tela's course today and I'm excited about how much I learned in such a short period of time. I am looking forward to learning more!"

Denice P.

"Half way through Tela's program and I already saw full value! I definitely recommend to others!"

Simone J.

"Now I can make trades when a month ago I had zero stock knowledge. Tela is awesome!"

Michael O.

"Tela's program is the best I've ever taken. It kept me engaged!"

Tia C.

Tela's speaking fees are value-based and reflect a commitment to help your audience leverage the stock market so they can build a financial legacy and live their best lives.
